Subject: LATE QFRs for Jim Martin (February Science Committee Hearing)

Pamela,  
I'm writing to inquire about the Questions for the Record for Jim Martin who testified at the Subcommittees Pavillion hearing on February 1st, 2012. As you may know, we have inquired about these QFRs for some time now, as they are 3 months late (they were due back to the committee March 6th). Please advise when EPA will be able to provide these QFRs to the subcommittee. With the administrator coming at the end of the month, we would like this information as soon as possible. Thank you
